- 4. Read, understand and accept the Conditions of Sale**
- 5. Place bid(s)**

Automatic increment bidding is enabled on the sale.

For example, placing the maximum amount you are willing to bid on a particular lot will not necessarily become the current bid. If you bid £100 on a lot with a current bid of £50, your bid will beat the £50 by the increment specified by us. If another party places, or has already placed a higher bid, then the system will automatically bid for you up to your £100 maximum.

At the end of the sale the final bid figures will be submitted to our client for approval.

The Seller or the Selling Agent may refuse to accept any offer and shall not be obliged to accept the highest offer.

We will contact the successful bidder and then forward an invoice for payment.

13. Default by the Purchaser

If the Buyer fails to comply with his duties, the Selling Agent shall have the right to:

- (a) Resell the lots by Public Auction or otherwise without notice to the Buyer, and if any loss arises from such a resale after deducting the Selling Agent's full costs and expenses, the Buyer shall be responsible to the Selling Agent for that loss (any net surplus to be the Seller's); and

- (b) The Seller and the Selling Agent on his behalf sell whatever right, title or interest the company or the bankrupt or the individual may have in the lot; no warranty is given or authorised to be given by the Seller nor the Selling Agent with regard to the Seller's title to any lot(s) sold; any claims with regard to retention of title or other claims to the lot(s) will be the responsibility of the Buyer without any recourse to the Seller or the Selling Agent; no adjustment will be made if it subsequently transpires that the lot(s) are subject to third party ownership;
